At the outset Dr. Anis Altaf Nabi Chief Medical Officer Poonch welcomed the worthy District Development Commissioner and other members of the designated committee and discusses the present status including initiatives taken-up, issues, Achievement and concern of Immunization programme with detail power point presentation.

Agenda of the Meeting:

- During the meeting, a detailed discussion was held with regard to implementation of road map formulated by the Government for Measles, Rubella Elimination from the country by 2023.
- The Deputy Commissioner urged upon the health functionaries of the district to take all possible measures and give focused attention towards the Measles, Rubella Elimination in the District and stressed on active participation of educational institutions in spreading awareness and sensitizing students about the infection of Measles and Rubella. He urged the Officers to adopt the multipronged interventions to identify the target at the right time to arrest the disease at the right time.
- On the occasion, the **Chief Medical Officer Dr. Anis -Altaf- Nabi** said that Poonch District has an adequate healthcare infrastructure to manage the Universal Immunization programme and Surveillance activities to achieve the target. He presented the power point presentation regarding the vaccination work and compared the achievement of the previous year with the achievement of the current year. Dr Anis also ensured the strengthening of the Routine

Immunization by covering vaccination in hard to reach areas and quoted that **Immunization is the Right of every child**. He further stressed on better management of **Universal Immunization programme** and Surveillance activities to achieve the target in stipulated time.

- **The Paediatrician of Raja Sukhdev Singh District Hospital & District Immunization Officer Poonch** also highlighted the importance of acquiring complete knowledge about the preventive measures of Measles-Rubella disease and ensure that all the children should receive two doses MR vaccine on time. No children should be missed from vaccination.
- On the occasion, **Chief Medical Officer** urged upon the senior Health functionaries of the District to take all possible measures with focused attention in unison with ICDS and Education Departments to identify the **dropout cases**, besides immunization process for Measles, Rubella Elimination in the District. He also urged to the members of voluntary organizations and religious organizations to cooperate in the eradication of this disease by giving their valuable time and support to the health department.
- He asked to the Block Medical Officers of Mandi /Mendhar/ Surankote to constitute a committee in each block to identify the suspected cases of Measles & Rubella and initiate house-house survey by their ASHAs /ANMs with in the week.
- Speaking on the occasion, Jenab Khalid Hussain – PO ICDS also praised the commendable work of the health department and ensured that our ICDS functionaries (Anganwadi workers) are working hard to

enhance the efforts of health services and represents a public outreach program in such areas such as immunization.

- Shri Bishmabar Dass – Chief Education Officer, Poonch also ensured to cooperate health department in immunization programme. He added where enrollment is high, the school setting offers an effective platform for reaching children and adolescents with vaccination services, as well as an opportunity to **catch up** children who may not have received all age-appropriate vaccines.
- Jenab Sabzar Ahmed, member of National Development Youth Club, assured the Chief Medical Officer of full support of his NGO for the eradication of Measles and Rubella and said that during the campaign against Polio, my team had participated with great enthusiasm.

The Chair has directed the following officers/officials to work in respect to the MR Elimination:

- Paediatrician /Block medical Officer-mandi/Mendher/Surankote that all the Symptomatic cases of fever with rash should be treated and reported in your respective block (Action taken by Medical Supdt. and Block Medical Officer-Mandi/Mendher/Surankote)
- For administering of additional dose of MR upto 5 years of age if required.(Action taken by Block Medical Officer-Mandi/Mendher/Surankote)
- Containment Zone should be created if needed (Action taken by Block Medical officer Mandi/Mendher/Surankote)

- Deputing the teams for conducting survey for reterival of dropout by ANMs and ASHAs (Action taken by Medical Supdtt. and Block Medical officer Mandi/Mendher/Surankote)
- Education Department, NGOs, Project Officer ICDS should coordinate with Health Deptt. For creating awareness and motivating the general public if reluctant so that MR could be eliminated by 2023. (Action taken by Chief Education Officer, NGOs, POICDS and Block Medical Officer mandi/Mendher/Surankote)
- Provide IEC to Health Department and NGOs(Action Taken by Chief Medical Officer and NGOs)
- Trace out the suspected cases and create awareness(Action taken I/c Mobile Medical Unit)

Meeting ended with the vote of thanks by Chief Medical Officer poonch.
